## REMARKS

Applicant's attorney has requested that the drawings be amended to correct a pair of self-evident errors. In particular, Applicant's attorney has requested that reference symbol "V<sub>DD</sub>" for the high voltage supply in each of Figs. 19b and 23b be changed to "V<sub>HH</sub>" in conformity with the material presented in paragraphs 186, 192, 240, and 245 of the specification.

In the Amendment submitted 8 January 2003 for revising the drawings, Applicant's Attorney requested that reference symbol "V<sub>SS</sub>" for the low voltage supply in each of Figs. 19b and 23b be changed to "V<sub>LL</sub>" but did not notice that reference symbol "V<sub>DD</sub>" for the high voltage supply in each of Figs. 19b and 23b should similarly be changed to "V<sub>HH</sub>". The present amendment corrects that error.

Applicant's Attorney notes that the abbreviation "Cap." in the labels "C1 Cap. Signal Path" and "C2 Cap. Signal Path" in Fig. 22 was changed to "Capacitance" in the formal version of Fig. 22 submitted 27 January 2003, thereby bringing Fig. 22 into conformity with the use of the labels "C1 Capacitance Signal Path" and "C2 Capacitance Signal Path" in Fig. 18. To the extent that a request to spell out the abbreviation "Cap." in Fig. 22 should have been previously submitted to the PTO, Applicant's Attorney hereby requests approval for changing "C1 Cap. Signal Path" and "C2 Cap. Signal Path" in Fig. 22 respectively to "C1 Capacitance Signal Path" and "C2 Capacitance Signal Path".

Please telephone Attorney for Applicant at 650-964-9767 if there are any questions.
